Never Water Flowers Again!

Dear Lover of Flowers,

From the folks who bring you Silky Floral Bouquets, a new **"Manual of Style"** to help you arrange your own works of floral art.

Silk Flower Artistry

You may already know the many advantages of silk flowers over fresh flowers. Here are some of them:

- Non-allergenic
- No wilted flowers
- Silk Flowers are never out of season
- Expertly packaged, and arrive fully "assembled"
- Premium silk flower arrangements are less expensive than fresh and will look just as beautiful years from now as when new.

But wouldn't it be great to enjoy such convenience more often without being limited to the usual selection?

Beautiful as your "usual" floral arrangements are, variety is the spice of life—and it certainly makes flowers more fun! That's the beauty of *Silk Flower Artistry* with exciting new arrangements that take your talents to places you may have never imagined.

There's a Better Way

In this handsome full-color volume, you'll learn...

- 🌀 The best containers to choose for any size arrangement, from baskets to traditional glass vases to ceramic boxes.
- 🌀 The best way to work with stems, particularly if putting together a bouquet or a corsage.
- 🌀 The latest and most exciting combinations of colors, textures, and sizes of blossoms and greenery.
- 🌀 The creativity that goes into floral "themes" for holidays, special occasions, or just coordinating with any room décor.
- 🌀 The new technology that allows for the exceptional realism of crystal clear "acrylic" water.
